

# Parking Advice

Vehicle : *M4N U FAN*

Seen on: *Matchday*

At: *a residential street*

## INFRINGEMENTMENT

You may have enjoyed the match, but did you enjoy finding a parking space? Will you enjoy the congestion and traffic jams on the way home? Local residents are concerned about illegal and dangerous parking in their neighbourhood. Some streets are just not safe on match days and the massive increase in traffic on small residential roads causes all sorts of problems.

## ACTION

- Use public transport.  
*Take the tram, bus or train to the match and lose the stress of finding that parking space.*  
[www.gmpete.com](http://www.gmpete.com)
- Share a lift.  
*Enjoy good company on the journey or try*  
[www.liftshare.com](http://www.liftshare.com) *to meet new people going your way.*
- Walk or cycle, from home or the train station.  
*Get fit and cut your carbon emissions by travelling under your own steam.*

Join Trafford Green Party in asking MUFC, the police and the local council to do more to make match days a more relaxing experience for fans *and* local residents.

*If you are a resident, please accept our apologies for leaving this leaflet on your car and get in touch if you want to join the campaign.*
