Climate Change Challenge to Trafford Council

Climate change is one of the major issues facing our society today. I support Trafford Green Party's challenge to the Council to:

1. Lead by example and cut its own CO₂ emissions by an extra 9% every year.
2. Create safer streets by setting a 20mph speed limit on residential roads across the borough.
3. Insulate all local homes free of charge.

Yours sincerely,

Cllr Matthew Colledge
Leader of the Council
